The regular P. T. A. meeting at the school house, the first Friday in October, at 2:30 P. M.

A recent wedding of Kolony young people was that of Lawrence Mac Lafferty, son of Mr. and Mrs. Geo. Mac Lafferty and Miss Renner of Caldwell. Miss Renner with her parents were former residents of the Kolony. The young people will make their home near Caldwell where they have purchased a ranch.

The Kingman Kolony school opened last week with thirteen enrolled in the high school division and thirty-five in the grades. There is a great deal of enthusiasm and prospects are bright for a good year.

On Saturday evening, September 17, the Parent Teachers Association of the Kolony held a reception for the teachers. About one hundred attended to extend a welcome to Mr. F. B. Everett, Principal, and Miss Gladys Johnson of the grades. The P. T. A. served refreshments after the musical program, which was thoroughly enjoyed. The program follows:

WALLY REID DRIVES LOCOMOTIVE IN BLIZZARD

To drive some sort of machine, be it an automobile or locomotive, is all in the day's work for Wallace Reid, the athletic Paramount star. In "The Love Special," his latest starring vehicle which comes to the Majestic theatre next Friday and Saturday Wally drives a railroad engine over a mountain in a driving snowstorm with the same ease and poise he displays when at the wheel of a roadster in a gruelling auto race.

"It was great sport to feel the big engine pick up as I pulled the throttle," said the star, "but I felt lost without a steering wheel. At times when we went around a sharp curve, I would instinctively grab for the wheel, only to remember that I was in a locomotive and didn't have to do any steering. I think a fellow feels better, though, when he knows that he is doing the guiding. It makes one feel dependent and a bit useless to know that he must stick right to the rails and that they will guide the engine for him."

The story upon which the picture is based, is said to be one of the best railroad stories by Frank H. Spearman, a well known fictionist. It is a big story, full of speed and thrills and seasoned with a delightful romance which continues all through the picture. Agnes Ayres is leading woman and in the cast are Theodore Roberts, Lloyd Whitlock, Sylvia Ashton, Alexander Gaden, Clarence Burton, Ernest Butterworth and others.

NIGHT SCENES OF RARE

BEAUTY IN "BEAU REVEL"

Sensational Automobile Episode One of Leading Thrillers Finely Photographed

Night scenes of surpassing beauty are a feature of the new Thomas H. Ince production for Paramount, "Beau Revel," which comes to the Majestic theatre next Tuesday and Wednesday.

One of the "punch" scenes of the picture is an auto smash, showing two autos, with headlights flashing, rushing down a road in the moonlight and swerving into each other in front of the camera. No slight ingenuity on the part of the director and cameraman was required to put this sensational crash across.

Different lighting effects were used for each character in the picture. The cast of which includes such players as Lewis Stone, Florence Vidor, Lloyd Hughes, William Conklin, Kathleen Kirkham, Harlan Tucker and others. Each player was treated individually from a lighting angle, an innovation in photography. "Beau Revel" was directed by John G. Wray, under the personal supervision of Thomas H. Ince.
